**A deceased mother...
A father who abandoned him...
Poverty...
Prison...**

**SaulPaul
had every reason
in the world
to believe his life
wasn't valuable...**

**Instead, he chose to believe
the best. He chose to keep
living. He chose life.**

**SaulPaul overcame the
obstacles that were before
him and behind him and
went on to graduate
from the prestigious
University of Texas at Austin.**

**SaulPaul is now a
"musician with a message."**

*Step out of the darkness,
into the light
I know you question
what's even the reason to fight,
there's value in your life
You just gotta see it right
at the end of the tunnel,
believe me
there's a light*
